

SPONSORSHIP OPPORTUNITIES

The Western Region's 52nd Annual Meeting September 21-24, 2011 in Sacramento, California “Rooting for Success”!

You and your organization can be recognized as a leader and supporter of the nursery industry at this year's conference. Depending upon the level of sponsorship, you and your organization will be recognized in a variety of ways. In addition to printed and verbal recognition, as a conference sponsor you will be able to:

- *Network with key professionals in the Green Industry and reach more than 100 propagators, nursery managers, and production personnel, and academicians.*
- *Expand business by spotlighting your company and products during your sponsored event.*
- *Show your support for the International Plant Propagators' Society program and services.*
- *Promote your business as an active, involved member in the industry.*

Not only do the conference sponsorship opportunities provide significant value for our Sponsors, they also help the IPPS accomplish the objectives of furthering the education and understanding of plant propagation and production. We are currently soliciting sponsorship for several different areas of this conference, including:

- Coffee Breaks
- Pre-Conference Bus Tour
- Conference Bus Tours
- Lunches for Bus Tours
- Banquet Dinner
- Continental Breakfast
