## IPPS POSTER INFORMATION

The Western Region of the International Plant Propagators' Society is soliciting posters for the 2011 Annual Meeting in Sacramento, Sept 21-24. This event brings together educators, researchers, professionals and students in the field of plant propagation and related disciplines. Any research or development related to this theme is appropriate as long as it is non-commercial in nature. Membership in IPPS is not required.

There is no standard format; posters can be up to 36x48 inches. They will be wall mounted and should be easily read from 2' away. Photos, graphs and figures should predominate over text. There are many websites offering free template downloads to reformat a PowerPoint into a poster. Two good sites are:

<http://www.ncsu.edu/project/posters/NewSite>

<http://www.swarthmore.edu/NatSci/cpurrin1/posteradvice.htm>

A 1-2 page summary of the poster's content should accompany the application. If accepted, the summary will be archived and published in the 2011 *Combined Proceedings*. Published articles are fully copyright protected. A digital copy of the poster can also be archived. Please include the author's name(s), affiliation, address, phone number and email address on the summary.

Accepted posters can be shipped to the address below or hand delivered to the Annual Meeting at the Radisson Hotel after 1 pm Wednesday, Sept. 21. They will be removed Saturday, Sept. 24 and returned in the same mailing tube in which they arrived. Hand delivered posters should be collected in person on or by Sept. 24. Please submit the application and summary by August 1; you will be contacted if your poster is selected for display.

Please submit application and summary to:
